Kristine,  
We're feeling out of the loop regarding recent EPA/LWG mtgs. I'm not sure who all is meeting..., what you're negotiating..., & what the desired outcomes are. Now that both the 8/10 TCT & PH mgr mtgs are cancelled, I don't really have the opportunity I expected to have to soon ask where we are on these ongoing issues..., or more importantly provide partner input. Does EPA plan to allow partner input on these ongoing negotiations, or will we simply be updated on status & outcome? My strong preference is for DEQ to be at the table with EPA.

Also, I previously saw that note re: the Swan Is Business Association mtg, but didn't pursue it because I thought we were having a TCT mtg. I realize it's not your place to invite me..., but would you like either me or Matt attend?

Jim
